## Reaches the parts that other magazines don't

Visit Andaluca is a community resource, it allows you to promote your forthcoming events, your business news and your business promotions in the magazine and on our website

Visit Andaluca is a new editorially based, glossy publication. 5000 copies are distributed from Puerto Banus along the coast to all the tourist and ex-pat hotspots, into Gibraltar and then inland to Gaucin, Casares, Manilva and Jimena de la Frontera. **We distribute on the first two working days of every month.**

### IN THE MAGAZINE

Every edition has lots of lovely editorial about Andaluca. Places of interest, fashion, health and beauty, food and drink, homes, gardening, history, plus what to do and where to go. Visit Andaluca is an interesting read and as a magazine, it will be in circulation for a lot longer than a newspaper. It is a coffee table type of publication.

### DISTRIBUTION

We might not deliver to the castle at Gaucin, but our magazine is dropped off in many hot spots in the village itself and the other white villages of Jimena de la Frontera, Casares and Benahavis. Expats in the inland areas eagerly await each month's delivery.

### ON THE WEB

In addition to your advertisement you also automatically get an entry in our Business Directory online and will receive regular updates of the number of visitors to your page. Included in your listing is a full web page showing your logo, up to 4 images, a Google map and a complete description of your business. You will be able to log on and edit your page and indeed monitor traffic yourself. [Now in 20 Major European Languages](#)

### IN THE COMMUNITY

Tell us about your forthcoming events and we will share them with our groups and friends and print them in the magazine. Charities benefit from free promotion of their events in the magazine and on the web.
